

Global CBD Manufacturer CBD Living Introduces Free and Flat-Rate Shipping on Orders Worldwide

Online customers will now receive free shipping on orders over \$75 and \$5 flat-rate shipping on orders under \$75, with the exclusion of beverages

CORONA, Calif. ? April 2, 2019 /Canna Newswire/ ? International CBD manufacturer and distributor **CBD Living** today implemented a brand-new shipping policy with reduced rates - free shipping for all orders over \$75, and \$5 flat-rate shipping fees for orders less than \$75. Due to its weight, CBD Living Water bottles and cases are excluded from these promotional rates. ?As we've grown the CBD Living brand and expanded our e-commerce capabilities, our shipping system was beginning to hold us back from reaching all our customers who wanted to purchase their monthly CBD Living products online,? says Sean McDonald, COO of CBD Living. ?We didn't want our shipping costs to prohibit anyone from getting the relief they need. With our new free and flat-rate shipping fees, we hope to make CBD Living products more accessible for everyone.?

The new shipping rates go in effect today. For more information on CBD Living, please visit www.cbdliving.com or contact media@cbdliving.com.

About CBD Living

CBD Living is one of the fastest-growing global cannabidiol (CBD) manufacturers and distributors, with more than 65 products in 3,000 stores and shipping to consumers worldwide. CBD Living's prestigious in-house scientists use ultrasound waves to break down CBD into nanoparticles, allowing the CBD to pass through the blood membrane for enhanced absorption. This proprietary technique leads to up to 90 percent bioavailability, compared to 10-15 percent bioavailability when consumed in a traditional CBD product. From the original CBD Living Water product to CBD gummies, chocolates, freezes, tinctures, vapes, bath bombs and more, CBD Living is constantly innovating to bring the future of CBD to consumers today.
