

## Respect My Region Unveils Digital Marketplace For Local Music Artists, Licensed Cannabis Companies, and CBD Products

**SEATTLE ? July 10, 2019 /[Canna Newswire](#)/ ? ][Respect My Region](#)** (RMR) has announced that the Seattle-based company will launch their updated web store as the first digital marketplace for music artists, legal cannabis brands, and compliant hemp-based CBD products. A recipient of Seattle Weekly's 'Best Online-Only' publication and recently included as the #4 ranked rap website in the world, the award-winning music and cannabis publication has revealed that they recently signed a deal with Soulshine CBD and Seed Science CBD to offer premium hemp and CBD products to millions of music consumers.

The partnership with Soulshine CBD (Kent, WA) and Seed Science CBD (Seattle, WA) is specially crafted to provide music fans with the best available full-spectrum hemp products. In addition to premium CBD products, Respect My Region will also provide rising music artists and licensed cannabis brands with a safe and secure digital marketplace to sell their merchandise.

As of July 15th, music fans from all over the world will be able to purchase varieties of branded merchandise, as well as CBD-rich hemp flower, pre-rolled joints, tinctures, topicals, capsules, and an infused workout supplement. Each CBD product is third-party tested, pesticide-free, and will be shipped directly to consumers via the United States Postal Service.

Respect My Region Founder and CEO Mitch Pfeifer, expressed that he is extremely proud and grateful to take these historic steps and begin working with Soulshine and Seed Science. He shared that, "the leadership behind these groups has an unwavering commitment to building sustainable relationships and supporting the community."

Since 2011, Respect My Region has provided a community-centric platform that connects real people to local culture. The company's digital traffic analytics have been integral to supporting community programs and events, as well as assisting clients and event partners. Providing data-driven intelligence and connecting key decision makers directly to industry leaders has helped this talented group of entrepreneurs provide a new echelon of relationship-driven value.

In Q3 and Q4 of 2019, Respect My Region is focused on onboarding select ecommerce partners and establishing the company as a respected tastemaker and influential leader in regards to the international music and cannabis communities. Respect My Region's content strategy and social media ecosystem has proven that it provides sales lift for partners at specific retailers, while also aiding with control and distribution of inventory. The company encourages all artists, both independent and signed, as well as licensed cannabis and CBD companies to reach out for consideration as a digital partner.
