

## Romantic Adventures Says Hello to Summer with New Items, Sales, CBD & Love Dolls!

**PEARL, Miss. ? July 11, 2019 /[Canna Newswire](#)/ ?** ]Romantic Adventures, an adults-only online retailer and superstore in Jackson, Mississippi, is introducing new in-store items and offering hot summertime sales on selected vibes, strokers, lubes, party gifts and accessories.

In addition to the sizzling deals at [shopromanticadventures.com](http://shopromanticadventures.com) - with some online items currently up to 70 percent off - Romantic Adventures' owner/manager Tami Rose wants busy travelers to know that the popular store on Highway 80 also carries CBD in loose flower and pre-rolls, edibles, tinctures and topical lotions.

?We have a great selection of CBD products aimed at those looking to improve their health,? says Rose. ?CBD has been a runaway favorite with our customers since we started carrying it. People are excited about trying something new.?

Speaking of trying new things, Rose also notes that Romantic Adventures' guests are ?quite surprised and intrigued when they walk into the store and see Mia,? the life-size Pipedream Products' Ultimate Fantasy Doll that sits propped in a love swing stand, greeting guests as they enter.

?I've been told by other store owners that the love dolls are becoming very popular, so I decided to bring Mia into the store and see if there's any interest in taking her home,? said Rose. ?Although at 5'3 and 123 pounds, you may need a little help getting her there!?

Many of Romantic Adventures' personal care products are already for sale below MSRP product list pricing - some up to 31% - with storewide reductions on a variety of the best adult toys, DVD, unique bath & body products, sexy costumes, bachelor/bachelorette gifts, lingerie, clothing and accessories.
