

## Sun Kissed Acquisition, Hakuna, to Present Biometric Lock Box Device at CHAMPS 2020 Trade Show in Las Vegas

**NEW YORK ? February 20, 2019 /[Canna Newswire](#)/ ?** Sun Kissed Industries Inc. ([OTC PINK: SKDI](#)) (Sun Kissed?, SKDI?, or the Company?), an emerging leader in the CBD Food and Beverage marketplace, is excited to announce that the Company's recent acquisition, Products Group Inc, DBA/ Hakuna (Hakuna?), will be exhibiting at the CHAMPS Trade Show in Las Vegas from February 25-28, Stand # 1277 (booth), demonstrating Hakuna's Legacy Lock Box, which is biometrically controlled with a fingerprint access mechanism.

CHAMPS is unquestionably the world's leading counterculture business-to-business expo, and we're excited to be a part of it this year," remarked Carl Grant, CEO of Sun Kissed. "We acquired Hakuna largely for its massive potential, award-winning products, and large distribution footprint in the high-growth CBD space. But we are also very interested in fostering growth in Hakuna's accessory business. Its biometric lock box is an exceptional product that has already garnered strong market traction."

Hakuna's Legacy Lock Box, with its Fingerprint biometric locking mechanism, is easy to personalize, including adjustable dividers to allow for a fully customizable interior space. Access to the interior of the box is coded to the owner's fingerprint, but a back-up metal key is included to address all contingencies. In addition, the box is a chargeable device with a removable, USB-compatible wireless charger located at the base.

Management notes that CHAMPS has hosted the premier exhibitors in the counterculture business since 1999. The show draws buyers in the thousands from all over the world. The 32nd Las Vegas show was held from February 3-5, 2019, at the Las Vegas Convention Center, drawing over 600 vendors exhibiting some of the most advanced products for the counter culture industry, and featuring the best in contemporary smoking/vaping accessories, hand blown glass, clothing, and many interesting items in the specialty gift market space.

Grant continued, "This is an important opportunity to tangibly expand this business. The last CHAMPS trade show in Las Vegas drew the largest amount of store buyers at any show worldwide. We look forward to the opportunity to expand our penetration into this market space and experience the energy and excitement that seems to accompany this event. If interested, please stop by and join us!"
